

Tasting Notes

Stop the Toad Cabernet Sauvignon 2001

Barwick Estates is proud to be supporting the Stop the Toad Foundation in their fight against the inexorable spread of the cane toads westward into WA.

With large areas of wetlands on our Margaret River winery & vineyard, we are well aware of the impact such an invasion could have on the natural habitat & fauna on our property. We are delighted to have the opportunity to support such a worthwhile cause and will give a donation to the *Stop the Toad Foundation* for every bottle of wine sold.

COLOUR Deep plum with a rich burgundy hue.	NOSE Wild berries, mulberry and a hint of chocolate dominate the nose. The oak aromas form a subtle backdrop.
PALATE A balanced palate with blackberry, chocolate and herbaceous flavours; the subtle use of French oak has assisted in combining the delightful tannins into this full bodied fruit-driven wine.	
BRAND	STOP THE TOAD
VARIETY	CABERNET SAUVIGNON
VINTAGE	2001
