

The **Stop the Toad Foundation** has been established to promote the benefits of a cane toad free WA and to encourage everyone to help. This is a massive undertaking – but it is a project that promises to unite people from every aspect of the community. For when it comes to defending our country and heritage we are convinced that Western Australians will rise to the challenge.

Barwick Estates is proud to support this worthwhile cause and will be donating **33%** of the revenue from these sales of the **STOP THE TOAD** wines to the **Stop the Toad Foundation Inc.** – please help us to **STOP THE TOAD!**
